Intercontinental Trust granted “Authorised Training Employer” status by the Institute of Chartered Accountants in England and Wales

Intercontinental Trust Limited (“ITL”) is proud to announce that it has been granted Authorised Training Employer (“ATE”) status by the Institute of Chartered Accountants in England and Wales (“ICAEW”). ITL is the first Management Company in Mauritius to be granted such a status.

This was achieved after a thorough review by the ICAEW of our training standards to ensure that we comply with their five main principles namely:

- We operate with professionalism and are committed to ACA training;
- We provide students with a suitable training environment;
- We offer students appropriate supervision and support;
- We offer the students the opportunity for personal and professional development;
- We offer students appropriate training in professional ethics.

We believe that our quality of service is dependent on and is a reflection of the standard of training that we provide to our staff. Our staff is our most valuable asset and we ensure that we provide them with a framework to help in their personal and professional development. We try to inculcate in our staff the values of ethics and professionalism while developing their technical skills. As an ATE, we have a framework that guides us towards achieving this goal.

The ICAEW was established in 1880 by Royal Charter and currently has over 130,000 members in 162 countries. Their members hold business leadership positions worldwide, providing trusted, quality financial guidance based on the highest ethical standards. This prestigious organisation enjoys a reputation for quality, reliability and distinction.
