

FLASH NEWS

We are pleased to announce the launch of Intercontinental Trust Limited's new corporate identity with effect from 1st July 2016.

After more than 15 years of existence, we believe that it was time for us to officially embrace our acronym "ITL" and change our logo to reflect the vibrant and dynamic environment within which ITL operates.

Over the years, ITL has positioned itself as one of the leading service providers in the global business industry and it has played an instrumental role in creating more visibility for Mauritius as an attractive and business-friendly jurisdiction for structuring, listing and capital raising purposes. Beyond our commitment to deliver impeccable service and intelligent solutions, creating value for our clients is now enshrined in our company philosophy.

The spheres or dots in our new logo symbolize our valued clients as well as the various investors around the globe, all being connected by ITL to create the relevant business strategies and synergies.

We are aware that transitioning to a brand new logo is a long process and we are working hard to update our website, paperwork, stationeries and marketing literatures. In a bid to minimize wastage and reduce our ecological footprint, we will continue to use our current stationeries while stocks last, and we will gradually introduce our revamped materials in the upcoming months.

We would like to take this opportunity to thank all our valued clients and stakeholders for their ongoing trust and support.
